Specifications

Specification

Value

Family	JS-1116
Number of Rows	1
Maximum Current Rating	3A
Maximum Voltage Rating	250VDC 250VAC
Minimum Operating Temperature	-25°C
Maximum Operating Temperature	85°C
Mounting	Through Hole
Pitch	2.5mm
Product Depth	13.5mm
Type	Wire to Board
Product Height	5.8mm

Specification	Value
Product Length	10.3mm
Termination Method	Solder
Product Type	Connector Headers and PCB Receptacles
Contact Material	Brass
Contact Plating	Tin
Gender	HDR
Housing Color	White
Housing Material	Nylon 66
Body Orientation	Right Angle
Number of Contacts	4

Additional Information

SKU	FLOP-MALE-C
Weight	0.0100
Color	White
Gender	Male
Pins	4
Material	Nylon
