

Swiftech PWM Splitter Cable

\$3.50

Product Images

Short Description

The Swiftech PWM signal splitter cable is capable of controlling either 2 MCP35X pumps, or 1 pump + 1 PWM fan or 2 PWM fans

Description

Product Details:

The Swiftech PWM signal splitter cable is capable of controlling either 2 MCP35X pumps, or 1 pump + 1 PWM fan or 2 PWM fans; the splitter cable can also judiciously be daisy-chained to use multiple pumps and fans.

Specifications

Specifications

- (1) Male 4-pin to Female 4-pin + (1) Male 4-pin to Female 3-pin cables linked at PWM signal terminal.
- Black expando sleeving both cables
- 233mm (9 1/8th") length each cable (connectors included)
- RoHS compliant

Additional Information

Brand	Swiftech
SKU	PWM-SC1
Weight	0.1000
Color	Black
Cable Type	4-Pin PWM Splitter
Length	233mm
