

# Alphacool Angled Adaptor Double 45° Revolvable G1/4" Outer Thread to G1/4" Inner Thread - Deep BK

\$9.75

## Product Images

## Short Description

Alphacool's fittings go new ways in looks, quality of manufacturing, colours and choice. The inner diameter of these fittings truly deserves the „high flow“ attribute!

## Description

---

Alphacools's fittings go new ways in looks, quality of manufacturing, colours and choice. The inner diameter of these fittings truly deserves the „high flow“ attribute!

The first three colours, Chrome, Deep Black and Shiny Copper offer something for every taste. The product matching series are designed to look elegant in every system, highlighting the individual design of the computer. The limits are endless with these Alphacool fittings in combination with Alphacool tubing!

With a new process during chromatising the surface finish is completely connected with the brass body, hence ensuring permanent intense colours and peeling of the chrome layer. The Alphacool name in blue lettering on some of the fittings additionally underlines the individuality of these items.

## Specifications

---

Functionality of this connector:

This angled adaptor is a true multi-talent. Revolvable in two places, it can cover all angled up to 90°. Alternatively it can be used to displace a connection thread for maximum fitting compatibility or other needs.
