Short Description

The ideal cooler for, well, just about anybody, the EFZ-120HA5 is the perfect complement to any system. Great performance, low noise and with a very affordable price tag, this cooler will work with the most powerful processors on the market today, including those with the new LGA2011 mounting system.

Description

The ideal cooler for, well, just about anybody, the EFZ-120HA5 is the perfect complement to any system. Great performance, low noise and with a very affordable price tag, this cooler will work with the most powerful processors on the market today, including those with the new LGA2011 mounting system. Rest assured, there are no other heatsinks on the market that provide this level of performance at the same price point, especially when you factor in low noise characteristics. The EFZ-120HA5 utilizes three 6mm heatpipes that directly contact the CPU and are intertwined to provide six effective heatpipes worth of thermal dissipation. A universal mounting bracket supports the widest range of current AMD and Intel sockets, including the latest multicore Phenom and i3/i5/i7 processors.

We've included an Effizio 120mm fan with 3rd generation fluid dynamic bearings for years of reliable performance and no need to purchase any additional fans, though you have the option of adding a second fan for more performance. The installation process is easy with a typical install time of under 10 minutes, and does not require any specialized tools, just a simple screwdriver is all that's needed. Each Effizio heatsink comes with a three year warranty from the date of purchase and as always, you can be sure of getting the service should you need it.

Specifications

SKU	EFZ-120HA5
Rated DBA	8-24
Dimensions	125x85x153mm
Materials	copper heatpipes, anodized aluminum fins
Weight	648g
RMP	<1600
CFM	32-86
Operating voltage	5-12v
Current draw	<0.16A
Power consumption	<1.92w
Bearings	3rd generation fluid dynamic bearings
Intel CPU compatibility	lga775, lga1155/1156, lga 1366, lga 2011
AMD CPU compatibility	socket 754, 939, 940, AM2, AM2+, AM3, FM1

Additional Information

Brand	SilenX
SKU	EFZ-120HA5
Weight	2.5000
Color	Red
Material	Copper/Aluminum
Fan Dimensions	120mm
Fan Connection	4-Pin PWM
Vendor SKU/EAN	854224001790
