

Alphacool Hose Clamp Spring Steel 19-22mm - Black

\$1.59

Product Images

Short Description

Hose clamp for hose fixation on fittings without union nuts. These steel tape hose clamps make the use of

barbed fittings much easier and safer. They can easily be squeezed open by hand, even easier with pliers. The build quality is outstanding, even after opening the hose clamp many times its clamping force always remains as strong as if it was new.

Description

Hose clamp for hose fixation on fittings without union nuts.

These steel tape hose clamps make the use of barbed fittings much easier and safer. They can easily be squeezed open by hand, even easier with pliers. The build quality is outstanding, even after opening the hose clamp many times its clamping force always remains as strong as if it was new.

Outer diameter hose clamp: 19 to 22mm

Please note: Should you use the hose clamps on barbed fittings please note that the fitting will widen the outer diameter of the hose by 1-2mm depending on hose and fitting
