## Short Description

---

NZXT expands the HALE82 series with a brand new non modular power supply for PC enthusiast and gamers.

## Description

---

NZXT expands the HALE82 series with a brand new non modular power supply for PC enthusiast and gamers. This power supply is the first among others to pioneer 2013 ErP Lot 6 Energy Star standard which will reduce vampire power by 50%, decreasing your energy consumption. In addition, HALE82 N is 80Plus Bronze certified and provides the best cost to performance ratio. Designed with high attention to detail, HALE82 N's internal board possess a stylish white and black interior design exclusive to NZXT. This does not only look great but also improves performance. A strong single +12V rail design to power up high-end graphic cards without brown-out. The intelligent fan speed control is ideal for users that operate in silent or performance modes. Available in 3 different wattages: 550 to 750watts to meet any mid to high PC configurations.

## Features

---

80 Plus Bronze Certification ensures efficiency levels up to 85%

Pioneering 2013 ErP Lot 6 Energy Star standard to reduce vampire power by 50%, decreasing your energy consumption

World's first Innovative white and black PCB design for better isolation and identification

Intelligent Fan Control Technology with two settings optimized for silent or performance mode

Powerful +5Vsb that supports motherboards with fast USB charging that can also power USB devices while PC is on standby

SLI and CrossFire Ready

Highly Reliable 105° Japanese Capacitors to promote longer lifespan and better reliability surpassing 5 year warranty

120mm Two-Ball Bearing Fan for smooth, silent rotation, and optimal air intake

Strong single +12V rail that provides stability and ease of use with the ability to deliver clean currents under a heavy load

Full protections for over voltage, current, power, temperature, under voltage, and short circuit protection

Active PFC

Compatible with ATX 12V 2.3 and EPS 12V 2.92

Extended 8pin connector for bottom mounted cases or large tower support

Backed by 5 Year Warranty

# Specifications

HALE82-N-750-M					
AC Input	100V~ 240V 10-5A 50/60HZ				
DC Output	+3.3V	+5V	+12V	-12V	+5Vsb
Max. Current	30A	30A	60A	0.5A	3.5A
Max Combined Wattage	150W		720W	6W	17.5W
			750W		

## Additional Information

Brand	NZXT
SKU	HALE82-N-750-M-D
Weight	8.0000
Color	Black
PSU Type	ATX
PSU Style	Modular
PSU Wattage	750W
PSU Efficiency	80 PLUS Bronze
Special Price	\$68.22
