

# Silverstone CP10 Slim-SATA to SATA Adapter - Black Sleeve

\$9.99

## Product Images

## Short Description

### Product Details:

With increase in popularity of slim optical drive, SilverStone has introduced the all new CP10. With the limited installation space, the specially designed lateral 90° connectors will keep it free from obstructing other components. Wrapped in attractive black sleeve and metallic layer for EMI protection, it will be an unbeatable choice for those who wish to utilize slim optical drive.

### Features:

- Convert slim-SATA connection to desktop SATA connection
- Includes convertor for slim-SATA power connection to 4pin peripheral connector
- Beautiful all black sleeved cable
- Lateral 90° angled connector
- Metallic cable layer for EMI guard

### Specifications:

Model No.	SST-CP10
Color	Black
Cable Length	Data cable length:500mm Power cable length:300mm
Connectors	Lateral 90°angled slim-SATA connector, SATA, 4pin peripheral
