

Phobya Hose Clamp Spring 19 - 22mm Silver

\$1.54

Product Images

Short Description

Hose clamp for hose fixation on fittings without union nuts. These steel tape hose clamps make the use of barbed fittings much easier and safer. They can easily be squeezed open by hand, even easier with pliers. The build quality is outstanding, even after opening the hose clamp many times its clamping force always remains

as strong as if it was new.

Description

Hose clamp for hose fixation on fittings without union nuts.

These steel tape hose clamps make the use of barbed fittings much easier and safer. They can easily be squeezed open by hand, even easier with pliers. The build quality is outstanding, even after opening the hose clamp many times its clamping force always remains as strong as if it was new.

Specifications

- Color: silver
- Outer diameter: 19 - 22 mm

Note: If you follow the hose with hose clamps to use them that the outside diameter of the tubes increased by 1-2mm, depending on wall thickness to attach hoses to nozzles that have no nut.
