## Short Description

Mayhems Dyes are ideal for creating your own unique colour in your Watercooled system and are renowned as the brightest dyes you can buy. Ideally for use with a distilled, deionized or clear premix fluid, Mayhems Dye has also been safely tested for use with any non-alcohol based pre-mixed fluid with no adverse effects.

### Description

Mayhems Dyes are ideal for creating your own unique colour in your Watercooled system and are renowned as the brightest dyes you can buy.

Mayhems also actively promote mixing their different coloured dyes to come up with even more colour combinations.

Ideally for use with a distilled, deionized or clear premix fluid, Mayhems Dye has also been safely tested for use with any nonalcohol based pre-mixed fluid with no adverse effects.

Please note Mayhems Dye does not contain any biocide so we recommend either a Silver Kill Coil or similar product.

Caution : Concentrate Dyes can stain skin as well as wood, metal, clothing, plastics etc.

PLEASE use with caution
