Description

World famous E22 Ultra clear hard acrylic tube

This is V2.0 of the 10mm OD 8mm ID Suitable for PC water cooling systems it is now sold in 500mm lengths and has been manufactured to a higher tolerance after taking on customer feedback!

Acrylic tube 10mm OD 8mm ID Pictures are for illustration only.

Please note: tubes are chop-cut at factory and may have chipping on ends. Lengths are approx due to this.

We can cut these tubes in half, but no specific length requests will be honored as we would chop-cut them too, same as factory supply. Note that they will chip when cut.

Specify on *Customer Comments* when placing order that you need cut in 2x 20" (approx.) pieces -- please do not email requesting this.

Also note that by cutting these for you, you assume responsibility for them and we do not accept return of cut product.
