

Monsoon Series Two Premium Aluminum Face Plate Kit

\$14.95

Product Images

Short Description

Window kits allow you to easily take advantage of the Monsoon S2 reservoir's modular capabilities. Featuring a premium 6mm thick machined aluminum face plate with black powder coat finish to match the finish on many of today's top end cases. The face plate also features rear mounting screws for a clean uncluttered front

Description

Window kits allow you to easily take advantage of the Monsoon S2 reservoir's modular capabilities. Featuring a premium 6mm thick machined aluminum face plate with black powder coat finish to match the finish on many of today's top end cases. The face plate also features rear mounting screws for a clean uncluttered front. Includes a precision laser cut acrylic window, a premium silicone O ring, mounting screws, and a hex wrench.
