

# PPCS Black PCB RGB 12VDC SMD5050 Waterproof 36 LED Strip Light - Sleeved -24"

\$18.95

## Product Images

RGB Controller Not Included

## Short Description

---

The NEW PPCS Waterproof RGB LED Strip Light offers a unique, attractive solution for your full-color computer lighting requirements. This waterproof color-changing strip is ideal both for indoor and outdoor use for decorative accent lighting. The Waterproof LED Flexible Light is not only wet location rated, but curves easily and performs well in temperatures from -68° to +176° F. This strip uses a surface-mount high power LED with a wide beam angle, and is seamlessly and evenly bright, so it won't cast annoying shadows.

## Description

---

The NEW PPCS Waterproof RGB LED Strip Light offers a unique, attractive solution for your full-color computer lighting requirements. This waterproof color-changing strip is ideal both for indoor and outdoor use for decorative accent lighting. The Waterproof LED Flexible Light is not only wet location rated, but curves easily and performs well in temperatures from -68° to +176° F. This strip uses a surface-mount high power LED with a wide beam angle, and is seamlessly and evenly bright, so it won't cast annoying shadows. And this multi-color waterproof LED strip lighting is fully submersible, perfect for underwater lighting (reservoirs?).

RGB Waterproof LED Strip Lights are available in various sizes and come ready wired and sleeved to plug into any RGB LED Controller! Our strips, unlike the competition are made on a beautiful BLACK PCB! Perfect to stealth in your new modded rig!

Our Flexible LED Light strips can also be controlled with one of our low voltage Full Color LED Hard Wired and Wireless Controllers that will give you a wide array of creative lighting options for any situation. Whether blue, red or green, (or any of 16.7 million colors) light, this multi-color strip light will deliver consistent, fantastic results!

This cable comes custom sleeved in your choice of colors and will have bare wire ends ready to plug into any RGB controller!

## Specifications

- View angle:180 degreeen
- Working Voltage: DC12V
- Item Type:Strip
- Length: 75cm (30")
- Width: 10mm
- LED Quantity: 45 LED
- Working Current/meter: 0.35-0.4A
- Output power: 14.4W/Meters
- Working Temperature:-20 to 50°
- Average Life (hrs):50000
- Waterproof:Yes
- Protection Rate:IP65 Glue Waterproof
- Feature:Black PCB
- Chip: Taiwan Import
- LED Chip Model:SMD5050
- Certification:CE,RoHS

## Additional Information

Brand	PPCS
SKU	PPCS-RGBLED-24
Weight	0.5000
Lighting Type	Flexible LED Strip
Length	24"
LED Color	RGB
Special Price	\$14.21
