

PPCS Premium Applique - Water Cooled

\$3.95

Product Images

Short Description

Show off your cutting edge rigid tubing system with the new Water Cooled applique from Performance-Pcs! PPCs' killer new appliques are made from high quality vinyl and will give your case that little something extra. These can be placed anywhere you can think of, assuming there's space for it. Three steps -- Measure, order, install, done.

Description

Show off your cutting edge rigid tubing system with the new Water Cooled applique from Performance-Pcs!

PPCs' killer new appliques are made from high quality vinyl and will give your case that little something extra. These can be placed anywhere you can think of, assuming there's space for it. Three steps -- Measure, order, install, *done*.
