\$14.99

Product Images

Short Description

XSPC FLX is a high quality PVC tubing, ideally suited for PC water-cooling. It's highly flexible, stain resistant, RoHS compliant, and is available in a range of intense colors.

Description

XSPC FLX is a high quality PVC tubing, ideally suited for PC water-cooling. It's highly flexible, stain resistant, RoHS compliant, and is available in a range of intense colors. This tubing is NOT the same as the bulk XSPC tubing. With it's super high flexibility this tubing is ideal for tight spaces and quick turns. One pack is usually enough to do an internal liquid cooling system.

Please Note: The tubing is sold as a retail pack. Quantity 1 equals a 2 meter piece or 6.56 feet of tubing.

Features

- UV reactive properties available (not on white)
- Super High Bend Radius
