Description

Alphacool HardTube series Plexi tube in 13/10mm diameter.

Hard tube replaces the common PVC tubing found in water cooling systems and lets the user make clean straight connections between watercooling components. Alphacool Hard tube can also shaped to fit in with your system using the appropriate bending tools.

This product is supplied in the following variants:

- HardTube 13 / 10mm Plexi Clear 20cm and 40cm
- HardTube 13 / 10mm Brass Chrome 20cm and 40cm

- HardTube 13 / 10mm brass Deep Black 20cm and 40cm

Note: This tube should only be used with hard tube fittings
