

# Silverstone MR01S Aluminum Unibody Monitor Riser - Silver

\$68.99

## Product Images

## Short Description

---

The MR01 is a high quality monitor riser designed with SilverStone's famed unibody aluminum construction. This enables it to support monitors or all-in-one PCs up to 27" or 10kg (22lbs). Its modest elevation returns valuable space back to the desktop for keyboard/mouse storage or other uses without negatively impacting ergonomics of the devices on top. Finished with sand-blasted and anodized surface, the MR01 has a premium look and feel that matches high-end monitors or all-in-one PCs.

## Description

---

The MR01 is a high quality monitor riser designed with SilverStone's famed unibody aluminum construction. This enables it to support monitors or all-in-one PCs up to 27" or 10kg (22lbs). Its modest elevation returns valuable space back to the desktop for keyboard/mouse storage or other uses without negatively impacting ergonomics of the devices on top. Finished with sand-blasted and anodized surface, the MR01 has a premium look and feel that matches high-end monitors or all-in-one PCs.

It also looks and works great with iMacs!
