

Short Description

Fan expert TITAN introduces IP55 water-proofed and dust-proofed fan. This fan enhances its performance with waterproof and dust-proof function so that it could be suitable for humid and dust-exist bad environment, not limited in general working environment. It adopts the feature of Kukri fan, taking nine kukri-shaped blades to generate outstanding high airflow and reach high cooling performance under low noise operating. Two ball bearing type is also suitable for high-temperature operating with long life-time.
