Titan Mobile USB Cooling Stand w/ 60mm Fan

Special Price

$15.99 was

$21.50

Product Images

Short Description

This 2 in 1 tablet and phone cooling stand is stylish with its small cube design. It's not only convenient with its USB port, but also functional with built-in 6cm fan. When you stand your tablet or phone above, the fan could take the heat away from the tablet or phone when you use it for a long time or when it is charging. It is the best choice for heavy users.

Description

TITAN introduces a new concept "cooling anywhere." We expect to announce the cooling-everywhere concept with our series of thermal solutions, make cooling art into our life, make our life convenient, especially for current technology trend, smart phone, tablet PC, or other living appliances. Further, as for heavy users and charging situation, making devices exhaust its waste heat in order to extend their lives and their efficiency. This 2 in 1 tablet and phone cooling stand is stylish with its small cube design. It's not only convenient with its USB port, but also functional with built-in 6cm fan. When you stand your tablet or phone above, the fan could take the heat away from the tablet or phone when you use it for a long time or when it is charging. It is the best choice for heavy users.
