

Magnetic Ring for Screwdriver Bit (7mm)

\$2.29

Product Images

Description

Size: 7mm

Have you ever encounter problems with your screwdriver which was too weak to grab hold of the screws? Loover® Magnetic Ring is the solution to your problem screwdriver bit that has lost its magnetism.

The magnetic ring enhances the magnetic strength for the bits.

An economic, simple way to equip the ring around the bit, and it is highly useful!

M6+ Suitable for all screw drivers
