

# Scythe GlideStream 120mm x 25mm PWM Fan - 1300RPM

Special Price  
**\$6.50** was  
**\$12.95**

## Product Images

## Short Description

---

Scythe GlideStream 120 PWM series combines the proven "small hub & wide blade" design concept with neat, new ideas: Grooved fan blades contributing to even less air resistance, and mounting holes fitted with rubber inlays in order to minimize unpleasant vibration noise. This series comes in nine different rotation speeds, two of them being PWM models (1300 rpm & 1900 rpm), and so offers a suitable fan for various needs.

## Description

Scythe GlideStream 120 PWM series combines the proven "small hub & wide blade" design concept with neat, new ideas: Grooved fan blades contributing to even less air resistance, and mounting holes fitted with rubber inlays in order to minimize unpleasant vibration noise. This series comes in nine different rotation speeds, two of them being PWM models (1300 rpm & 1900 rpm), and so offers a suitable fan for various needs.

## Features

---

### NEW - special fan blades

In order to keep air resistance to a minimum, the fan blades have been fitted with unique grooves.

### Anti-Vibration-System

All fans of this series have the mounting holes fitted with rubber inlays to keep unpleasant vibration noise at a minimum.

### PWM-Function

The pwm-model (Pulse-width modulation) of the new GlideStream-series. By using a pwm-capable motherboard, this fan can be controlled automatically. This function allows a more flexible rpm regulation, making it more convenient for the user. With the included adaptor, the Grand Flex 120 PWM can also be used without making use of the pwm function.

## Additional Information

Brand	Scythe
SKU	SY1225HB12M-P
Weight	0.8500
Color	Black
Fan Dimensions	120mm
Fan Width	25mm
Fan Connection	4-Pin PWM
Fan Voltage	12 VDC
Fan RPM	1300
Fan CFM	73
Fan Noise (dB)	26
Vendor SKU/EAN	812623020231
Special Price	\$6.50
