Logisys RGB Multi Color LED Flexible Strip - 12"

$13.95

Product Images

Short Description

This 12" RGB LED is perfect for computer modification and home decor. It can be used as a PC Modding light with the included removable Molex connector or with Logisys RGB remote using its 4-pin connector for home or business decor. It features 18 bright RGB Leds: a self-adhesive backside: two 4-pin removable pin connectors and can be cut to fit your applications needs.

Description

This 12" RGB LED is perfect for computer modification and home decor. It can be used as a PC Modding light with the Logisys (LDXRM12C) RGB remote control unit for home or business decor. It features 18 bright RGB Leds: a self-adhesive backside: two 4-pin removable pin connectors and can be cut to fit your applications needs.

This is an add on light you can chain on to the Logisys LDXRM12C controller for longer lights. It has not way to be powered on its own!
