Short Description

The Pure Wings 2 family fans are unique in their class, combining outstanding reliability, silent cooling, and a great price-for-performance ratio. It's impressive how much quiet technology the German engineering team has crammed into these fans at this amazing price. They are the ultimate reason to put well-known be quiet! silent cooling in your PC if you haven't already done so.

Description

Outstanding Reliability And Silent Cooling

The Pure Wings 2 family fans are unique in their class, combining outstanding reliability, silent cooling, and a great price-for-performance ratio. It's impressive how much quiet technology the German engineering team has crammed into these fans at this amazing price. They are the ultimate reason to put well-known be quiet! silent cooling in your PC if you haven't already done so.

The Pure Wings 2 120mm model combines all of the above essential features. It provides maximum cooling airflow and operating noise levels down to a silent 19.2 dB(A). The increased air pressure makes the fans especially recommended for use in water cooling and air cooling setups.

Features

Practically Silent Operation

- Nine silence-optimized fan blades with high airflow capabilities reduce noise-generating turbulences while increasing air pressure
- Very quiet operation even at maximum speed, with noise of 19.2 dB(A)

Product conception, design and quality control in Germany

- Perfect choice for Home and Office PCs, Gaming and Multimedia systems
- Especially recommended for use in water cooling and CPU cooling builds
- High-quality rifle bearing technology contributes to a very long lifespan of up to 80,000 hours
- Winner of the prestigious Red Dot Design Award 2014
- Three year warranty
- Quick support is available via our international hotline (+49 (0) 40 736 76 86 – 44), Mondays to Fridays from 0900 to 1730, German local time

Specifications

- Dimensions (L x W x D), (mm): 120 x 120 x 25
- Fan speed @ 12V (rpm): 1500
- Air flow @ 12V (cfm, m3/h): 51.4 / 87
- Air pressure @ 12V (mm H2O): 1.25
- Noise level @ 12V (dB(A)): 19.2
- Connector: 3-Pin
- Cable length (mm): 450
- Lifespan (h / 25°C): 80.000

Additional Information

Brand	Be Quiet
SKU	BL046
Weight	0.6000
Color	Black
Fan Dimensions	120mm
Fan Width	25mm
Fan Connection	3-Pin
Fan Voltage	12 VDC
Fan RPM	1500
Fan CFM	51
Fan Noise (dB)	19
Vendor SKU/EAN	4260052183359
Internet Reviews	<p>Review from ThermalBench.com "This is certainly a premium price, but one must also note that with this comes a premium product which also lives up to its promise in the performance area...if you are the type who are willing to pay top dollar for a top tier product, then it's hard to go wrong with this- especially if you are looking for a silence optimized operation. Given the Europeans generally going this way, I can see now why this fan is so popular there too!" Read full review HERE.</p>
