Short Description

DarkSide 3-Pin Dual Radiator 2x Fan Y Splitter Cable - Jet Black Sleeved is a splitter cable turning one 3-pin connection into 4. Cable is factory sleeved black / black and is staggered to accommodate use with radiators. The staggered cable length reduces cable clutter and makes cable management much easier. This model is

designed for a dual radiator with a push / pull configuration. (fans on both sides) The 3-pin male connectors are shielded to protect from shorting.
