

XSPC PETG Bending Rubber (Bend Cord)

\$3.99

Product Images

Description

Solid rubber extrusion for bending acrylic/PETG tubing.

Details:

- Outer Diameter: 10mm
- Length 500mm

For use with all 10mm ID Acrylic/PETG Tubing

** NOTE" Silicon bend chord can shrink by nearly 4% with drops in the temperature from 35C to 15C. On a loose fit in your tube, XSPC's advises customers to soak the chord in warm water before use.
