

Alphacool Thermal Pad for NexXxoS GPX 3W/mk 15x15x3mm Red Marked PE Bag (24 pcs)

\$5.99

Product Images

Description

Alphacool's new thermal pads with 3W / mk

The inevitable height differences and uneven spots on coolers and cooled elements as well as the smallest grooves may be balanced due to the very elastic adaptability and the low hardness of the pads.

The protective film, which is attached to the surface of the pads must be removed before use!

The pads can also be cut to the desired sizewith a pair of scissors or a sharp knife.
