

EK-XTOP DDC - Plexi

\$26.99

Product Images

Description

High performance aftermarket pump top for Laing DDC series water pumps. This top offers increased hydraulic performance (up to 15%) compared to factory top.

This top also features two G1/4 threaded ports which allow installation of virtually any G1/4 thread fitting / barb. EK recommends EK-ACF series compression fittings.

Top is made of quality Acrylic material, retention screws and installation manual are enclosed.

Made in Slovenia - EU!

NOTE: This part won't work in a vertical pump configuration due to the logo protruding, A air tight seal can't be performed with a reservoir adapter plate.
