Short Description

These new premium sealing plugs from Bitspower are perfect to stop up tubing to change over blocks or to plug of blocks and rads so they dont drip while you change your cooling fluid. They can be inserted by hand with the beautiful diamond knurled edges but, handy screw driver slot helps tighten or remove them if they are wedged in a bit tight. Perfect! Great looking new Deluxe White finish. Bitspower Mini D-Plug Set - G1/4"
