

SilverStone Raven Z Series RVZ02 Mini-ITX Case - Black

\$109.99

Product Images

Short Description

After introducing the RAVEN Z series in 2014 to great acclaim with the revolutionary RVZ01, the RAVEN team has created another segment defining design in the RVZ02. With a volume of only 12 liters, this case is not only slimmer but is actually easier to assemble compared to the RVZ01 or any other slim case before it.

Description

After introducing the RAVEN Z series in 2014 to great acclaim with the revolutionary RVZ01, the RAVEN team has created another segment defining design in the RVZ02. With a volume of only 12 liters, this case is not only slimmer but is actually easier to assemble compared to the RVZ01 or any other slim case before it. Similar to many SilverStone small form factor cases, there is plenty of room for a powerful graphics card up to 13 inches in length available while tool-less drive cages have been implemented to make assembly quicker than ever. With clever space utilization and engineering, two major heat sources of a PC are separated via the chassis' main chamber so CPU and graphics card can each have their own airflow path. Despite its diminutive size, the RVZ02 is a remarkably versatile case that can be used anywhere from being a compact desktop workstation (in vertical orientation) to a living console or HTPC (in horizontal orientation), making it truly perfect for just about any slim PC build.

Features

Specifications

Model No.

- SST-RVZ02B (black)
- SST-RVZ02B-W (black + window)

Material

- Reinforced plastic outer shell, steel body

Color

- Black

Motherboard

- [Mini-ITX](#)

Drive Bay

- External
 - Slim optical 12.7mm or 9.5mm x 1
 - (9.5mm compatibility limited to tray type)
- Internal
 - 2.5" x 2
 - (one additional 3.5" or 2.5" space depending on expansion card installed)

Cooling System

- Rear
- Passive exhaust vents
- Side
- Oversized vents over CPU/motherboard and expansion area

Expansion Slot

- 2
- Front I/O Port
- USB 3.0 x 2
- audio x 1
- MIC x 1

Power Supply

- [SFX](#) & [SFX-L](#)

Expansion Card

- *Compatible with 13" long, width restriction – 4.78"

Limitation of CPU cooler

- 58mm

Net Weight

- 3.2kg~3.3kg

Dimension

- 380mm (W) x 87mm (H) x 370mm (D), 12 liters

Extra

- Support two Kensington locks

***Expansion card holder needs to be removed when installing expansion/graphics card wider than 4.78 inches. When system is assembled without the holder, vertical orientation of the case is recommended and

transporting/shipping should be avoided. For more details, please refer to manual.***

Additional Information

Brand	SilverStone Technology
SKU	CS-RVZ02B
Weight	13.0000
Color	Black
Chassis Form Factor	MiniITX
Side Panel	Vented
Motherboard Support	Mini ITX
Material	Plastic
PSU Wattage	No PSU
Vendor SKU/EAN	844761012533
