Short Description

Space saving, simple, practical and manifold describes this outstanding product.

Description

Space saving, simple, practical and manifold describes this outstanding product.

A simple mounting on the essays for the Laing DDC and the Laing D5 or VPP655 make this reservoir an integral part of water cooling. Due to the compact design the combination of the ice sheets series is well suited for small cases but also Powerful for large water cooling systems.

Mounting is very simple with four screws on the optional "Eisdecken". An O-ring seals and the container can then be integrated into the system.

Specifications

Technical Details:

Dimensions (LxWxH): 80 x 80 x 45mm

Water capacity: max. 123ml

Material: Acrylic

Thread: 1x 1/4"

Scope of delivery:

1x Alphacool Eisdecke DDC/D5 Reservoir

1x Bubble Down

Notice: The 4 screws holding the reservoir (they are included in the pump top) must only be tightened finger-tight (0,4Nm). There remains a small gap between the container and the pump cover. Excessive tightening may damage the cap and reservoir.

Additional Information

Brand	Alphacool
SKU	AC-13187
Weight	0.5000
Color	Clear
Pump Type	Laing D5
Vendor SKU/EAN	4250197131872
