

Phobya 4Pin Molex to 9x 3Pin Fan Splitter PCB

\$6.99 As low as
\$5.99

Product Images

Short Description

This PWM splitter from Phobya is possible up to 9 fans with 3-Pin to supply the same with electricity. This makes sense, for example for large radiators.

Description

This PWM splitter from Phobya is possible up to 9 fans with 3-Pin to supply the same with electricity. This makes sense, for example for large radiators.

The splitter is very compact and easy to bring in the housing below. Through the back board, the adhesive tape can be attached to any position in the housing, but optionally also with two screws at the outward-standing holes.

Specifications

Scope of supply:

1x board
