Description

The POSEIDON Z Forged – Blue Switch Edition – the flawless black brushed aluminum faceplate with cut-edge designed Mechanical keyboard. Easy reachable ports and multimedia keys. The POSEIDON Z Forged features Tt eSPORTS Certified Mechanical switches, rated for 50 million keystrokes, built-in USB ports, sound-card, superlative pre-configured lighting zone combinations & the world’s first 5 Year Warranty on a Mechanic.

Features

FLAWLESS ALUMINUM LOOK...SLEEK!

You will never get bored looking at it or using it! The splendid black brushed aluminum faceplate Mechanical gaming keyboard with illumination designed to have a feel of stylish whenever you use it. The shine of the keyboard makes it extraordinary!

THE ADJUSTABLE GLOWING BACKLIGHTING

Fully keyboard with stunning blue metal plate that enhances the gorgeous backlighting! Offering levels of adjustable brightness with an additional pause-break lighting effect plus pre-configured lighting zone combinations that make it cooler!

MARVELOUS MACRO KEYS

Never mess up the keys again...the Macro Keys, make it easy! Comes with 10 additional macro keys (T1-T10) for gaming efficiency with 5 profiles for a total 50 programmable macro on its normal mode plus a total of 100 programmable macro on Game Mode! This will surely let you access extra the skills and commands such as switching equipment presets like you are in total control!

ONBOARD DAC AMPLIFIER USB AUDIO MCU

With the DAC Audio Microcontroller Unit (MCU) containing digital programmable gain amplifier, audio output quality is beyond satisfactory for gaming with the 48kHz/8kHz sampling rate and 16-bit PCM ADC operates at 8/16kHz for the Microphone input. DAC amplifier definitely gives a deep, powerful, clearer and balanced sound.

*Ensure choosing the right audio input/output (Control Panel > Sound) after the installation as POSEIDON Z Forged was designed with a built-in Audio MCU.

ADVANCED INSTANT SHIFT SYSTEM (I.S.S.)

Never get busy changing profiles again! Simplifying the complex way of changing profiles. The I.S.S. (Instant Shift System) allows users to use either the Shift, Ctrl, or Alt key to quickly switch between macro groups and give immediate access to all 100 macro keys).

Tt CERTIFIED SWITCHES

The Tt eSPORTS Certified Mechanical BLUE & BROWN switches are built for speed and durability, offering a pronounced tactile feel and audible click feedback. These switches were specially chosen by our pro-gamers and engineers, and we believe in them so much that we're offering the world's first 5 year warranty on a Mechanical gaming keyboard.
