Short Description

PPCS DC12V Black PCB LED Strip 5050 RGB +44Key IR remote cotroller 60 leds/m Black PCB Board waterproof strip light,5m/lot RGB

Description

PPCS DC12V Black PCB LED Strip 5050 RGB +44Key IR remote cotroller 60 leds/m Black PCB Board waterproof strip light,5m/lot RGB

Features

- 1) Superb right 5050 SMD LED, high intensity and reliability.
- 2) Long life span 50,000 hours
- 3) Continuous length, packed with 5 meter.

- 4) Flexible ribbon for curving around bends
- 5) Completely smooth and even light spread, solving the uneven luminous problem
- 6) Ultra-bright but running at low temperature
- 7) Low power consumption

Specifications

- 1) Size: L500cm (5M) x W1.0cm x T0.1cm
- 2) Emit Color: white / warm white / blue / green / red / yellow/RGB
- 3) Protection Rate : Waterproof
- 4) Working Voltage: 12V DC
- 5) LED Quantity: 60leds / m, 5meter / roll
- 6) View angle: 120 ° ~ 140 °
- 7) Working Temperature: -20 ° to 50 °
- 8) 350-450mcd/led
- 9) Wattage: max 7-8W/meter,

Additional Information

Brand	PPCS
SKU	PPCS-RGB-KIT144
Weight	2.0000
Lighting Type	Flexible LED Strip
Length	5 meters
LED Color	RGB
LED Size	5mm
