Switch Over Kit – Candy
Pink – 12 Pack

\$21.95

Product Images

Short Description

This Switch Over Kit allows you to change the cap design or finish on PrimoChill Rigid or Revolver series fittings that you already own. Taking your system to the next level is an art form driven by color and textures. PrimoChill's latest offering of water cooling rigid compression fittings has married these features into one incredible fitting poised to dominate the market once again.

Description

This Switch Over Kit allows you to change the cap design or finish on PrimoChill Rigid or Revolver series fittings that you already own. Taking your system to the next level is an art form driven by color and textures. PrimoChill's latest offering of water cooling rigid compression fittings has married these features into one incredible fitting poised to dominate the market once again.

Note: You must already have PrimoChill rigid fittings to use this product!

Features

HANDCRAFTED ALUMINUM

Compression caps created in a multiple step process that achieves corrosion resistance with an uncompromised finish.

COLOR CORRECTNESS

SpectraX powder coated caps for unprecedented color correctness and long term consistency.

CONTINUED INNOVATION

A continuous industry leader in style and function within the water cooling community.

SIMPLIFIED USAGE

Quick and simple installation with minimization of

leakage or cross threading.

Specifications

SPECS

1 | Tool Usage

- Tool provides easy install and removal of cap.
- (tool not included in switch over kits)

2 | Diamond Knurl Cap

- Exceptional gripping power for turning of cap.

3 | Patent Pending Design

- O-Ring compression sealing pipe coupling system.

4 | Thread Engagement

- Precise stack of threads with starter threads for proper sealing force.

Parts Included:

- 12x RevolverSX Fitting Caps

Compatibility:

These fittings are designed to work with any 1/2 in. OD rigid tubing including PETG, PMMA, and Copper tubing.

Caps can be used with any older model PrimoChill Rigid or Revolver series fittings.

Note:

Although aluminum is used for the outside compression ring, no aluminum comes in direct contact with the fluid so mix metal corrosion is not an issue.

RSX caps are coated with a durable powder coat but we still recommend handling with care so you can enjoy the finish for years to come.

Additional Information

Brand	Primochill
SKU	F-RSX-CPK-12
Weight	0.2000
Fitting Type	Rigid Compression
Fitting Size	1/2"
Fitting Angle	Straight
Fitting Finish	Pink
