Short Description

Improve your targeting accuracy with the Call of Duty: Black Ops Stealth Gaming Surface. Made from a low-profile silicone material and featuring official artwork taken straight from the game, the Call of Duty: Black Ops Stealth Gaming Surface provides an ultra smooth surface texture for perfect tracking with all mouse types. The low-friction surface allows effortless mouse movement and pinpoint accuracy. Non-skid rubber backing ensures that your gaming surface stays put during the most intense gunfights and an ultra large surface area provides the coverage you need for any mouse DPI setting.

Description

Improve your targeting accuracy with the Call of Duty: Black Ops Stealth Gaming Surface. Made from a low-profile silicone material and featuring official artwork taken straight from the game, the Call of Duty: Black Ops Stealth Gaming Surface provides an ultra smooth surface texture for perfect tracking with all mouse types. The low-friction surface allows effortless mouse movement and pinpoint accuracy. Non-skid rubber backing ensures that your gaming surface stays put during the most intense gunfights and an ultra large surface area provides the coverage you need for any mouse DPI setting. w:15.5" x h:11.5"

Features

- *Low-profile Silicone Material* Low-profile silicone material provides extremely detailed mouse feedback and total security in the heat of a deathmatch.
- *Ultra Smooth Surface Texture* Ultra smooth surface texture allows for perfect tracking with laser or optical mice.
- *Smooth and Precise Mouse Movement* Low-friction co-efficient gives effortlessly smooth arm and mouse movements while non-skid rubber backing provides a firm grip even on smooth surfaces.
- *Large Mousing Surface* The Call of Duty: Black Ops Stealth Gaming Surface provides an ample mousing area (15.5" x 11.5") to accommodate different mouse DPI settings.
