

# Phobya PCI slot cover 4Pin Molex & 3x 4Pin PWM fan plug

\$10.50

## Product Images

## Short Description

---

Inside is a 4-pin molex connector which runs outward and connects to an additional 3x 4-pin PWM fan connection. This is especially useful if you need to externally power your pumps, fans, etc. This slot cover facilitates a neat transition from the case interior to exterior areas.

## Description

---

Slot cover for simple connection of pumps/fans etc.

Inside is a 4-pin molex connector which runs outward and connects to an additional 3x 4-pin PWM fan connection. This is especially useful if you need to externally power your pumps, fans, etc. This slot cover facilitates a neat transition from the case interior to exterior areas.
