PPCS EPS12V to 6-pin and 8-pin PCIE Y adapter cable - Miners Helper!

$8.99

Product Images

Short Description

Are you a avid Crypto miner? Tired of the wasted 12V EPS12V ports on your power supplies? Many of us here at PPCS are also avid Crypto miners and have thought the very same thing so look no further. Introducing the PPCS EPS12V to PCIE adapter cable. These cables will help you gain at least 1 additional PCIE connection to your VGA card for those PSU with dual 8-pin EPS12V. For 2 PSU mining rigs you can use both EPS12V ports on the second PSU for 2 extra VGA cards! This makes your mining rig more efficient and more profitable than most.
