\$69.99

## Product Images

## Short Description

---

The new mid tower chassis of Versa case line Versa N24, designed for gamers to gear with the latest gaming component, offering not only style and personality but an exceptional combination of cooling, performance, versatility and adaptability to any configuration to ensure true enjoyment while in or out of the game.

## Description

---

The new mid tower chassis of Versa case line Versa N24, designed for gamers to gear with the latest gaming component, offering not only style and personality but an exceptional combination of cooling, performance, versatility and adaptability to any configuration to ensure true enjoyment while in or out of the game.

## Features

---

### Gaming-Oriented Concept

Designed for gamers, the glossy black front/top panels deliver stylish images. The heightened foot-stands at the bottom help enhance airflow, and a transparent side window offers a direct view of the inner system.

### Innovative Tool-Less Design

The innovative 5.25" & 3.5" tool-free drive bay design minimized the hassles of installation/removal. The dual drive bay concept of "1 + 3 + 2" offers a good ratio for accessories and storage devices.

### Handy I/O Port

The front-top control panel features one USB 3.0 data transfer port along with two standard USB 2.0 ports as well as HD microphone and headset jacks to grant direct access when needed.

## Supreme Ventilation

Preinstalled with one 120mm rear fan; two 120mm front fan (optional) as well as two 120mm fans mounted on the top (optional) to optimize the system cooling performance for extreme airflow. In order to keep the interior dust free, all intake ventilation holes come with dust protection, including a removable dust filter at the bottom of the chassis.

Users can simply build up a complete high-end water cooling solution with 240mm radiator and long graphic card up to 360mm (without HDD cage). VGA length limitation: 415mm (Without Front Fan)

## Specifications

---

Model	Versa N24
P/N	CA-1G1-00M1WN-00
Case Type	Mid Tower
Dimension (H x W x D)	532 x 247 x 511mm (21 x 9.7 x 20.1 inch)
Net Weight	6.1 kg / 13.4 lb
