Case Arts Fireflies - LED's for 4-Pin Molex (5 Pieces) - Red

$5.99

Product Images

Short Description

This is one of the best new Mods out there and it is such a reasonable price. Now you can add illumination to any Molex connector in your computer case. The LEDs are embedded into each of these small circuit boards. You'll be amazed at how awesome this new Mod is when seen in a dark room! Fireflies rule!

Description

This is one of the best new Mods out there and it is such a reasonable price. Now you can add illumination to any Molex connector in your computer case. The LEDs are embedded into each of these small circuit boards. You'll be amazed at how awesome this new Mod is when seen in a dark room! Fireflies rule!
