## Product Images

## Short Description

CableMod ModFlex Internal USB 3.0 Extension Cables are the perfect way to dress up your system's front

panel USB 3.0 cable. Using our classic ModFlex sleeving, these extension cables match our other ModFlex cables perfectly, and come in several luscious colors to compliment just about any build.

## Description

---

CableMod ModFlex Internal USB 3.0 Extension Cables are the perfect way to dress up your system's front panel USB 3.0 cable. Using our classic ModFlex sleeving, these extension cables match our other ModFlex cables perfectly, and come in several luscious colors to compliment just about any build.

Underneath this sleeving is high-quality wire to ensure full USB 3.0 transfer speeds and optimal compatibility, and with its completely 100% heatshrink-free construction, these cables offer the clean look that you've come to expect from CableMod.
