Short Description

CableMod ModMesh Right Angle Internal USB 3.0 Extension Cables are the perfect way to dress up your system's front panel USB 3.0 cable. Using our vibrant ModMesh sleeving, these extension cables match our other ModMesh cables perfectly, and come in several luscious colors to compliment just about any build.

Description

CableMod ModMesh Right Angle Internal USB 3.0 Extension Cables are the perfect way to dress up your system's front panel USB 3.0 cable. Using our vibrant ModMesh sleeving, these extension cables match our other ModMesh cables perfectly, and come in several luscious colors to compliment just about any build.

Underneath this sleeving is high-quality wire to ensure full USB 3.0 transfer speeds and optimal compatibility, and with its completely 100% heatshrink-free construction, these cables offer the clean look that you've come to expect from CableMod.
