

Thermaltake Pacific G1/4 Male to Male 30mm Extender – Chrome

\$6.99

Product Images

Short Description

The Thermaltake Pacific Series Extender fittings provide a complete water cooling solution for enthusiast and custom PC builders. Finished in black-plated copper, the G1/4 female to male extender fitting includes one quality O-ring with side printed Tt logo. Choose from: 10mm, 20mm or 30mm extensions lengths to provide easier fitting installation and loop management. Thermaltake fittings provide a complete solution for DIY enthusiasts and PC builders by giving users ideal mounting, fitting and flow.

Description

The Thermaltake Pacific Series Extender fittings provide a complete water cooling solution for enthusiast and custom PC builders. Finished in black-plated copper, the G1/4 female to male extender fitting includes one quality O-ring with side printed Tt logo. Choose from: 10mm, 20mm or 30mm extensions lengths to provide easier fitting installation and loop management. Thermaltake fittings provide a complete solution for DIY enthusiasts and PC builders by giving users ideal mounting, fitting and flow.

Features

Tt LCS Certified is a Thermaltake exclusive certification applied only to products that pass the design and hardcore enthusiasts standards that a true LCS chassis should hold to. The Tt LCS certification was created so that we at Thermaltake can indicate to all power users which chassis have been tested to be best compatible with extreme liquid cooling configurations, ensuring you get the best performance from the best features and fitment.

High-Flow and Leak-Free Design

Made in Taiwan, the fittings allow proper connection to G1/4 ports, securing properly to cooling components while providing an even seal around the tubing. The fittings are available in chrome and black finishes, include three preinstalled O-ring. Use PETG tube for all your water cooling needs.

Remarkable Expansion

Thermaltake offers a full line of Pacific Series components for enthusiasts to build up aesthetically-superior water cooling systems by incorporating externally-modular upgrades for their chassis.

Specifications

P/N	CL-W044-CU00SL-A (Chrome)
Dimension	∅22 x 40 (H) (mm)
Applicable	G 1/4
Weight	83 g
Material	CU
Screw Thread	G 1/4
Note	Male to Male

* Specifications are subject to change without notice.
