## Short Description

---

Designed for our MasterCase and MasterBox ATX Series case, this MasterAccessory allows you to vertically display a graphics card at your PCI slot area to nicely showcase it. Part of our MasterAccessory line, this tray is made to fit into all the MasterCase and MasterBox ATX Series. Installation couldn't be easier, install your graphics card on the holder, connect it to your motherboard with the included Card riser card , and you're ready to go.
