

Bitspower Water Tank Z-Multi 150 RGB

\$73.95

Product Images

Short Description

NOW WITH RGB END CAP!!!

The Bitspower Water Tank Z-Multi 150 Inline Reservoir is a multi-option liquid cooling reservoir that is perfect for most advanced users! This reservoir can work with a fillport and/or a drainport depending on installation. Both can be connected to the top and bottom reservoir ports so the reservoir never has to be moved for filling, priming or draining your system. The reservoir is also well suited for applications that need multiple pumps drawing from it.

Description

NOW WITH RGB END CAP!!!

The Bitpower Water Tank Z-Multi 150 Inline Reservoir is a multi-option liquid cooling reservoir that is perfect for most advanced users! This reservoir can work with a fillport and/or a drainport depending on installation. Both can be connected to the top and bottom reservoir ports so the reservoir never has to be moved for filling, priming or draining your system. The reservoir is also well suited for applications that need multiple pumps drawing from it.

Manufactured using first-class quality acrylic tube and POM Acetal, the EX-MultiOption is built to last. The reservoir is very easy to fill and is sealed with high quality rubber washer. The bottom piece gives the user 3 options for placing G1/4" fittings/barbs as inlets or outlets. Additionally, the top is fitted with G1/4" thread port used for a fitting/barb as an inlet from a fill port.

Features

- Rainbow light! It can be changed as you want.
- Design For Multi-Function On Water-Tank Issue.
- The Simple Design For Water Storage.
- Both Top Made Of POM.
- Tank Body Made Of Hi-Quality Acrylic.
- RoHS Compliant.

Specifications
