The TALON X Gaming Gear Combo – This Mouse & Mouse Pad Combo is a perfect addition to your gaming desk if you're looking for something with both affordability and functionality. The pack includes a gaming mouse with a PIXART AVAGO 3050 optical sensor that goes up to 3200 DPI and comes equipped with a 10 million click lifecycle rated OMRON switches. It also features static and spectrum running lighting effects to bring color to your gaming. The combo is completed with a DASHER Mini Slim Gaming Mouse Pad with low friction surface design and anti-slip function.

Description

The TALON X Gaming Gear Combo – This Mouse & Mouse Pad Combo is a perfect addition to your gaming desk if you're looking for something with both affordability and functionality. The pack includes a gaming mouse with a PIXART AVAGO 3050 optical sensor that goes up to 3200 DPI and comes equipped with a 10 million click lifecycle rated OMRON switches. It also features static and spectrum running lighting effects to bring color to your gaming. The combo is completed with a DASHER Mini Slim Gaming Mouse Pad with low friction surface design and anti-slip function. It also provides improved mouse movement to suit all gamer requirements. The combo pack is light in weight, offering easy portability and definitely the combo for your gaming!

Features

PIXART AVAGO 3050 OPTICAL SENSOR WITH OMRON SWITCHES

The PIXART Optical sensor on the TALON X gaming mouse offers sensitivity up to 3200 DPI (Red 400 DPI / Yellow 800 DPI / Blue 1600 DPI / Purple 3200 DPI) and provides accurate precision and control during gaming sessions. The addition of premium grade OMRON switches with a 10 million click lifestyle gives a crisp clean click with tactile response to further add to your gaming experience.

CHOOSE YOUR BATTLE COLORS

Add mood to every gaming session by selecting your battle colors and choosing between static or spectrum running mode.

SPEED-TYPE CONTROL

The speed-type mouse pad is incredibly smooth and flat and allows gamers to have precise movements combined with comfortable feel.

SMOOTH ANTI SLIP SURFACE!

A special non slip rubber base ensures that the mouse pads will never slip as you game, even in the most intense of battles. Play with confidence and never worry about mouse pad lift-off or slipping again – even on glass desks.

SMALL AND PORTALE

250mm in size, the Dasher Mini Slim is allows for easy storage and portability meaning that you can bring it anywhere with convenience.
