

Der8auer Skylake-X Direct Die Frame

\$79.99

Product Images

Short Description

The CPU mounting frame completely replaces Intel's ILM (Integrated Loading Mechanism) as well as the CPU cooler mounting holes. This inconspicuous component unlocks a world of possibilities when it comes to CPU performance enhancement, leading to record breaking overlocks when paired with either standard- or liquid cooling.

Description

The CPU mounting frame completely replaces Intel's ILM (Integrated Loading Mechanism) as well as the CPU cooler mounting holes. This inconspicuous component unlocks a world of possibilities when it comes to CPU performance enhancement, leading to record breaking overlocks when paired with either standard- or liquid cooling.

Features

- Allows the CPU to be operated and cooled without a heatspreader
- Secure mounting for maximum cooling performance
- Compatible with current Socket 2066 motherboards
- Manufactured in high-grade black anodized aluminium

Specifications

Technical Details:

- Type: CPU mounting frame
- Material: Anodized aluminium
- Colour: Black
- Compatible with all Socket 2066 motherboards
- Compatible with all Intel Skylake-X processors
- Includes:
 - 1x Direct Die Frame
 - 1x Back plate
 - 5x M3 screws
 - 1x Hex key
 - 1x Torx key
 - 1x Plastic spatula

*** Important Warning! ***

Removal of the CPU's heatspreader is performed at your own risk and always results in the invalidation of the manufacturer's guarantee and warranty!

Note on Compatibility: The removal of the integrated heat spreader results in a small reduction in the mounting height of the CPU cooler. Consequently those coolers with fixed mounting heights are not able to be mounted. For this reason please confirm prior to installation whether the cooler you plan to use is capable of being set to a lower mounting height. Compatibility with watercoolers from EKWB, Aquacomputer as well as AiO watercoolers from Corsair and NZXT are guaranteed to fit. The Skylake-X Direct Die Frame is not compatible with motherboard monoblocks.

Additional Information

Brand	Der8auer
SKU	FSD8-021
Weight	0.7500
Color	Black
Tool Type	Technicians Tools
Vendor SKU/EAN	4250144802817
