CableMod Anodized Aluminum Thumbscrews 10 pack – UNC 6-32 – RED

$8.95

Product Images

Short Description

Add another splash of color to your rig with CableMod Anodized Aluminum Thumbscrews. These easy-to-use

thumbscrews use a standard UNC 6-32 thread and have a length of 5mm, making them ideal for PC case side panels and PCI slots.

Precision-crafted from aluminum, these thumbscrews feature an anodized finish for a durable luster, and come in a wide selection of vibrant colors to suit virtually every build. Get a pack to match your system's color scheme or several colors to mix and match!
