Short Description

A Gift Certificate from Performance-PCs.com makes a great present for birthdays, holidays, anniversaries, or any other special occasion. You may use these as rewards for your employees or for a child that has done

well in school or earned something special by doing hard work around the house. These also work well for raffles or as give-aways at LAN parties! Gift certificates are available in many denominations for your convenience. Gift Certificates are purchased just like any other item in our store. You can pay for them using the stores standard payment methods.

Description

A Gift Certificate from Performance-PCs.com makes a great present for birthdays, holidays, anniversaries, or any other special occasion. You may use these as rewards for your employees or for a child that has done well in school or earned something special by doing hard work around the house. These also work well for raffles or as give-aways at LAN parties! Gift certificates are available in many denominations for your convenience. Gift Certificates are purchased just like any other item in our store. You can pay for them using the stores standard payment methods. Once purchased the value of the Gift Certificate will be added to your own personal Gift Certificate Account. If you have funds in your Gift Certificate Account, you will notice that the amount now shows in the Shopping Cart box, and also provides a link to a page where you can send the Gift Certificate to some one via email. To send a Gift Certificate you have already purchased, you need to go to our Send Gift Certificate Page. You can find the link to this page in the Shopping Cart Box in the right hand column of each page. When you send a Gift Certificate, you need to specify the following. The name of the person you are sending the Gift Certificate to. The email address of the person you are sending the Gift Certificate to. The amount you want to send. (Note you don't have to send the full amount that is in your Gift Certificate Account.) A short message which will appear in the email. Please ensure that you have entered all of the information correctly, although you will be given the opportunity to change this as much as you want before the email is actually sent. If you have funds in your Gift Certificate Account, you can use those funds to purchase other items in our store. At the checkout stage, an extra box will appear. Enter the amount to apply from the funds in your Gift Certificate Account. Please note, you will still have to select another payment method if there is not enough in your Gift Certificate Account to cover the cost of your purchase. If you have more funds in your Gift Certificate Account than the total cost of your purchase the balance will be left in your Gift Certificate Account for the future. *** TIP: If you email yourself the Gift Certificate then, you may choose to print and cut out the certificate to put into a greeting card or gift card holder or gift box. All Gift Certificates are delivered via email to the recipient within one business day after the date of purchase after validation. There are no additional fees or charges on the redemption of gift certificates. Performance-PCs.com Gift Certificates do not expire. If you have any problems please contact us via our Contacts page. PLEASE NOTE: Gift Certificates are heavily scrutinized for validity. We may call you and/or the bank to confirm that the transaction was authorized by the card holder. If there are any doubts to any transaction and we cannot get a hold of the card holder it will be VOIDED immediately. We do this to protect both you and our company from any fraudulent activity.
