

# Bitspower True Brass G 1/4" Anti-Twist Adapter

\$11.95

## Product Images

## Short Description

This is one of the most handiest fittings imaginable for extending your other fittings via this new rotary extender. If you ever screwed in an angled fitting and once tight it pointed in the totally wrong direction, then this new anti-twist adapter will arrive to your rescue to redirect the tubing back to where you had planned it. No serious water cooling installer should be without a hand full of these babies on hand! Learn the name; Bitspower Premium water cooling products!
