

Bitspower Dual IG1/4" True Brass Rotary Mini Snake-Style Adapter

\$21.95

Product Images

Short Description

Bitspower announces it's new parts for water-cooling, snake-style adapters...maybe it's tubing replacement! These new G 1/4" angle adapters are perfect for tight spaces and change the direction of your water input or output without affecting flow. With 360 degree rotary movement you can secure the connection yet still twist the direction of the fitting to any angle you desire. No more kinked tubing! These are the bomb!
