

Bitspower G1/4" True Brass Male to Male Rotary Adapter

\$11.95

Product Images

Short Description

This is one of the most handiest fittings imaginable for linking two G 1/4" threaded water cooling parts. The best part about this fitting vs. a standard male to male nipple is that this one will let you rotate your parts 360 degrees so that they are angled in the direction you prefer. No serious water cooling installer should be without a hand full of these babies on hand! Learn the name; Bitspower Premium water cooling products!
